DETAILED ACTION

Notice to Applicant

1. Applicant's Amendment and Response to the Office Action mailed on May 16, 2006 has been entered and made of record.

Response to Arguments

2. In view of applicant's arguments to the objection of the specification, the objection has been withdrawn.
3. In view of applicant's amendments and arguments filed on August 16, 2006, the rejections of claims 2-13 and 17-25 under 35 U.S.C. 103(a) as stated in the indicated Office Action have been withdrawn.

Examiner's Amendment

4. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
5. The application has been amended as follows:

This application is in condition for allowance except for the presence of claim 1 directed to an invention non-elected without traverse. Accordingly, claim 1 has been cancelled.

Reason for Allowance

6. Claims 2-13 and 17-22 are allowed.

The following is an examiner's statement of reasons for allowance: claims 2, 8 and 12 recite forming a wiring trench and a via hole reaching the SiC barrier film in the interlayer dielectric film; performing plasma processing on side surfaces of the interlayer dielectric film, the side surfaces being exposed to the wiring trench and a via hole with the interconnection being covered with the SiC barrier film; etching the SiC barrier film to allow the via hole to reach the interconnection, after the plasma processing. These features in combination with the other elements of the claim are neither disclosed nor suggested by the prior art of record.

Claims 3-7, 9-11 and 13-22 variously depend from claim 2, 8 or 12, so they are allowed for the same reason.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
